Continue past the Castle Tavern until you reach the Bus Station then take the second turning left into Haslar Road. Follow the road until you arrive at the Marina on the right-hand-side (marked by two large green buoys). Park on the right-hand side of the Car Park and continue on foot through the Car Park and across the road to enter the Marina. The Four Seasons yachts will be found moored on 'F' pontoon.

Good meeting places within the Marina are either Landers wine bar near the main car park or the Lightship which is found by going through the main entrance to the Marina and walking to the end of the main pontoon (impossible to miss - it's big and green!)
